

This summer 'Paard Mens Onderwijs' presents in cooperation with Epplejeck Horse & Rider Superstores and partners:

'Horse & Rider Instruction Week'

Are you a fanatical and ambitious rider or driver, and are you fond of the Friesian Horse? Do you want to enhance your riding skills, your rider fitness and your knowledge about horses? Come to the educational 'Horse and Rider Instruction Week' in the Friesian Congres & Horse Centre in Drachten!

A high quality program during 4 days with cooperation of several high quality instructors from the Northern Netherlands. You get intensive instruction on a daily basis and there will be several other activities, for instance a trail ride through the beautiful wooded area around Drachten.

This 'Instruction Week' is unique because of its active and educational program. Not only do you ride or drive your horse on a daily basis, there are also several workshops on feeding, health & disease, and exercise physiology by the Veterinary Clinic of Wolvega. CIOS Heerenveen will compose an active program to improve your rider fitness.

The 'Horse and Rider Instruction Week' is for every rider or driver from the age of twelve on all levels. The instruction takes place in small groups, with a lot of personal attention, to keep the quality as high as possible.

- ➔ *The 'Horse and Rider Instruction Week' takes place from Monday 9 Sept. in the morning till Friday 13 Sept in the morning, followed by the Central Mare Show on Sept. 13 and 14.*
- ➔ *Costs: €495 per person, all-inclusive. (Members of the KFPS get a 10% discount)*
